Membership registration/会員申込書

Thank you for your support to become a member of Hongwanji Buddhist Association (HBA) for the year 2024. Please choose either MEMBER or SUPPORT MEMBER to register. We sincerely appreciate your continuing support.

Option 1 – 会員/MEMBER (Pledge Member)

Instead of asking members to contribute a fixed amount, it would be more flexible if members decide the amount of their own contributions. This is called ‘pledging’. When people become a member, they are asked to give serious thought to how much they would like to contribute and then sign a ‘pledge’ to contribute that amount by sending your membership via bank transfer to HBA Westpac Bank account (032-090 28 2692).

Option 2 – サポート会員/SUPPORT MEMBER

Those who do not wish to pledge and become full members of HBMA but would like to continue support HBA only need to contribute \$48. Of course, an additional donation would also be greatly appreciated.
